

Engage. Align. **Achieve.**

01.

Admin centre

- Empower superusers with the ability to maintain oversight and control with a powerful admin centre.
- Ensure comprehensive participant management through precise permission settings, efficient rewards budget administration, and customised internal communications.
- Use real-time reporting to make informed decisions and keep your programme agile, compliant, and aligned with business objectives.

02.

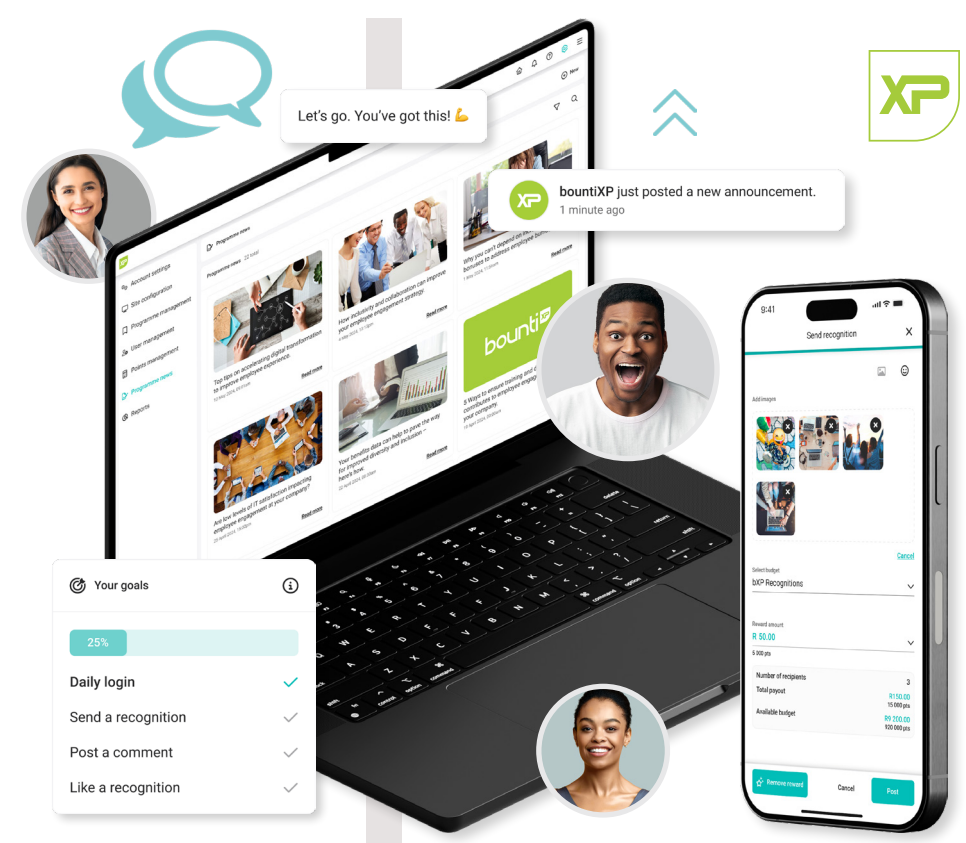

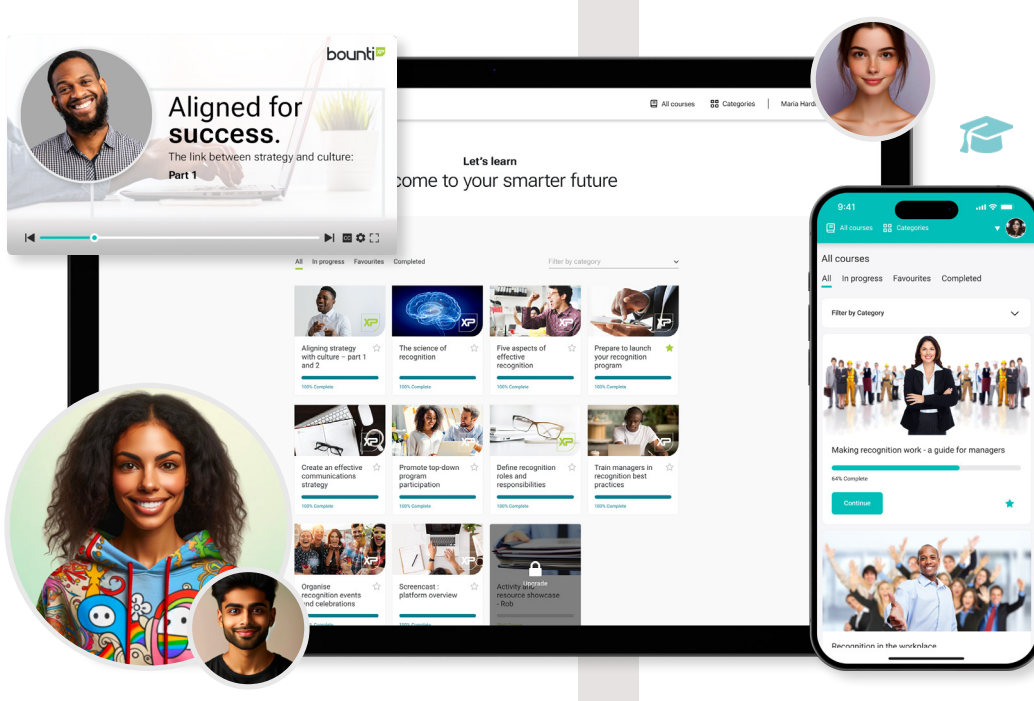

360° recognition

- Motivate your team with always-on, peer-to-peer, and manager-to-employee recognition.
- Celebrate living the company values, birthdays, long service anniversaries, and other custom initiatives.
- Foster a culture of mutual appreciation and steady alignment to company goals with real-time acknowledgements.

03.

Ongoing connection, communication, and engagement

- Cultivate a positive and engaged company culture with a dynamic newsfeed where achievements and accomplishments are recognised and rewarded.
- Harness the built-in, intuitive publishing tools and general announcement feature to keep everyone constantly informed and aligned.
- Boost participation and morale with gamification elements and seamless messaging that ensures every achievement is seen, acknowledged, and valued.

04.

Integrated e-learning

- Enhance organisational competence with custom digital learning content delivered directly to your team.
- Boost skills and knowledge effortlessly through engaging e-learning modules.

05.

Instant, meaningful rewards

- Delight employees with an easy-to-use rewards system that offers instant gratification.
- Choose from a wide variety of redemption options, including physical and virtual shopping cards, and extensive digital gift cards for memorable experiences and everyday essentials.
